## TERM 4 NOTES FOR PARENTS AND GUARDIANS – SEPTEMBER 2025

### A. GREETINGS FROM THE PRINCIPAL'S DESK

Dear Parents/Guardians,

I hope you had a refreshing one-week break with your family. Welcome back as we approach the final term of our academic year. Your continued support has been vital in helping our students grow and learn throughout this journey.

As we reflect on the past three terms, we are proud of how much our students have accomplished. They have shown growth in their learning, developed greater resilience, and embraced challenges with a positive attitude. We have seen them grow as learners and individuals, and this progress also reflects the strong partnership between home and school.

Now, as we embark on our final term together, we look forward to continuing this meaningful journey. This period will provide our students with opportunities to consolidate their knowledge and demonstrate the skills they have developed throughout the year.

We recognise that this can be a busy time for families, and your encouragement and understanding will continue to make a significant difference in helping your child feel confident and supported. As we move through this final term, here are three ways you can support your child's well-being at home:

1. Establish a calm and structured environment for study. Ensure they have regular meal times, adequate sleep, and designated study periods with short breaks. A consistent routine will help reduce stress and improve their focus.
2. Be mindful of their emotional needs during this time. Listen to their concerns, offer reassurance, and remind them that their worth extends far beyond academic results. Your emotional support and encouragement will boost their confidence.
3. Encourage your child to communicate openly with you about their studies and any concerns they may have. Create a supportive atmosphere where they feel comfortable sharing their worries or asking for help. Your understanding and patience will help them navigate this period with greater confidence.

Your partnership with the school remains crucial, and together, we can ensure that our students feel supported and ready to embrace the opportunities ahead.

We look forward to celebrating the continued growth and achievements of our students with you throughout this final term.

Yours Truly

Mrs Quek-Chua Leng Yin  
Principal

#### P. eGIRO APPLICATION

(Ms Joan Wong, Administration Manager)

GIRO provides a convenient and secure way for parents to manage school expenses. Parents who do not have a GIRO arrangement with MOE are strongly encouraged to submit their application through the “Services” tab of their Parents Gateway app or via the MOE eGIRO page at <https://www.moe.gov.sg/financial-matters/fees/egiro>.

You can apply for your child's school and miscellaneous fees to be paid through GIRO. The same GIRO arrangement will also be extended to cover payment of enrichment programmes, school charges and deduction of national examination fees where applicable.

An additional benefit of GIRO is that it facilitates refunds and disbursements to students, such as those for cancelled programmes, GRACE Awards, SWCDC Bursaries, and the Straits Times School Pocket Money Fund.

Parents can obtain more information on eGIRO at the MOE website or call the General Office for assistance.

Through our continued partnership and your support throughout this term, especially in encouraging your child to stay resilient, we can nurture a school community where every child feels supported and able to experience success. Thank you for your vital role in building resilience and creating this positive environment for all our students.
