Connecting With You

Dear Parents/Guardians,

We are excited to begin the journey with you and your child. We are committed to nurturing every child holistically — developing Caring Hearts, Enriched Minds and Determined Spirits. With strong partnerships and meaningful learning experiences, we look forward to supporting your child's growth and celebrating their achievements together. Thank you for your trust and continued support.

In partnership,
Mdm Tan Yoke Yin
Year Head (Upper Primary)

Key highlights

Back to School Programme

The yearly Back-to-School Programme creates a safe and caring environment to help students transition smoothly into the new school year. Through structured activities, students build emotional readiness, strengthen relationships and understand school routines and expectations.

For Upper Primary, there is a stronger focus on fostering peer relationships and mutual support. As part of a new initiative introduced this year, our Primary Six students participated in a teacher-planned team bonding activity designed to build collaboration, trust and unity as they journey through this important year together.

Outdoor Education

In Term 1 Week 1, our Primary 5 students had an enriching camp experience that showcased their growth in resilience, adaptability and responsibility. Through thrilling high elements activities, students overcame their fears and demonstrated perseverance when facing challenges. During the nature walk, the unexpected weather tested their adaptability, they maintained positive attitudes and supported one another throughout the journey. We're incredibly proud of how our P5 cohort embraced both the challenges and responsibilities of camp life, returning home with strengthened values, deeper friendships, and unforgettable memories.

Congratulations to all our Best Campers who exemplified outstanding character and leadership throughout the experience!

Chinese New Year celebrations

On 16 February, we ushered in the Chinese New Year with great joy and festive spirit, celebrating the rich traditions and cultural heritage of this special occasion. The school was beautifully decorated, symbolising prosperity, happiness and good fortune. Students came dressed in traditional attire, adding to the vibrant festive atmosphere.

The celebration began with a lively assembly programme featuring engaging performances by our students and the much-anticipated Lion Dance. Students also learned about the significance of customary practices, such as the reunion dinner and the exchange of auspicious greetings.

We would like to extend our heartiest congratulations to Primary 5A, 5D, 6E and 6F for emerging as winners of the classroom decoration competition in the upper primary levels. Well done to these classes for their creativity, teamwork and festive spirit!
