

From the Year Head's Desk

Dear Parents,

Students began their Primary One journey in Concord Primary on 4 January, 2022. Fine weather greeted all staff, parents and students with smiles and excitement. School staff lined themselves along the walkway to welcome parents and students.

Parents were just as excited to know who were their child's Form and Co-Form Teachers. Primary One classes were soon bustling with delight and enthusiastic chattering.

Day One recess with parents

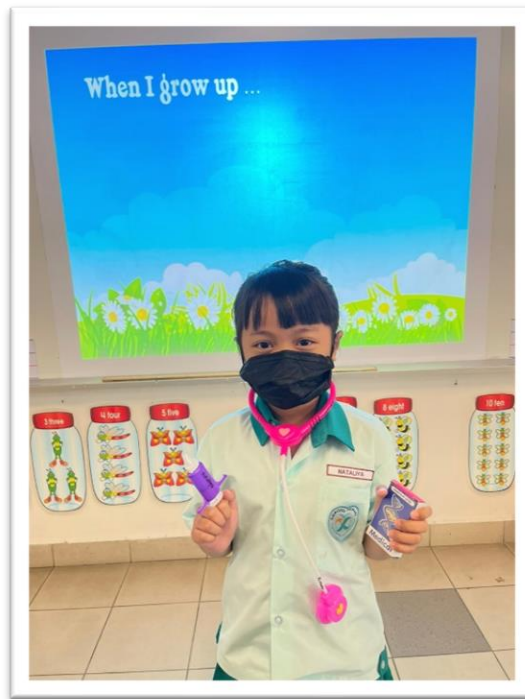

The following week was an engaging and discovery session for our Primary One students. Students were matched to their Primary Six buddies and were brought around the canteen to learn about the different stalls and the various Safe Management measures. Primary Six buddies took care of their Primary One buddies well and even brought them to enjoy the Koi Pond and the surrounding vicinity.

To ensure a smooth transition from Kindergarten to Primary School, teachers planned a 3-week Transition Programme for all Primary One students. Besides taking students around school in getting to know the important venues; students also experienced fun activities during Mathematics and English lessons. The highlight of the Transition Programme was their first Show-and-Tell session in class. Students shared candidly with their peers what they would like to be when they grow up. The session generated many happy laughter and smiles.

English Show-and-Tell Session

Mathematics Hands-on Activity

Though it has been only five weeks in school, our Primary One students have displayed confidence in their day-to-day routines. Students are eager to learn as much as teachers are happy to make learning a joy for all.
